

# Student Chapters

Home Builders Association of Fort Wayne, Inc.

The HBA of Fort Wayne supports our workforce development efforts in many ways, but one of those ways is through sponsoring NAHB Student Chapters. We currently help support the Career Development Program at Garrett and the FWCS Construction Trades Program at Anthis. There are nearly 200 students in these programs. Outlined below is a little information about what each program offers our future workforce.

- Starts with 5th graders and goes through 12th grade
  - Construction trades SEAL certification
  - NCCER Best Practice Nationwide
  - Welding Facility Build Out— Programming
  - Brennan Estates—9-lot subdivision
  - 2018-2019 Inaugural Class
    - 115 students in 4 grades
  - 2019-2020 Class
    - 161 students in 4 grades
- Juniors and Seniors (Sophomore program in the works)
  - Number of concentration areas
    - Home Building
    - Electrical
    - Masonry/Concrete
    - Finish Carpentry
  - Number of concentration areas
  - High placement at SkillsUSA competitions
  - 2019-2020 Class
    - 110 students in 2 grades

*Both programs give students the opportunity to earn dual credits through Ivy Tech.*

## HAVE ENTRY LEVEL POSITIONS OR INTERNSHIPS?

### Utilize our NAHB Student Chapter members to fill those jobs!

These are students who are highly engaged and interested in pursuing a position within the building/construction industries.

A list of things to include in your listing is outlined below.

- Wage information
- Time of business
- Location of business
- Distance for traveling within business
- Any website for company
- Any schooling needed
- Benefits
- Any chance of development
- Trade title
- Contact information
