## CODE OF ETHICS

All Remodelors' Council members subscribe to a Code of Ethics based on professional workmanship and customer satisfaction.

### We pledge to...

...**conduct** our business operations in a manner that will reflect credit upon ourselves, the Remodelors' Council, and the remodeling industry.

...**comply** both in spirit and letter with rules and regulations prescribed by law and government agencies for the health, safety and welfare of the community.

...**avoid** any statement or implication which may be misleading or deceptive.

...**describe** accurately and honestly the price, materials and standards of workmanship used in each project.

...**use** only materials and products equal to and exceeding the quality of those specified in the contract.

...**start** the construction process as soon as feasible upon award of a contract and proceed diligently to completion of the project without unnecessary delays.

...**cooperate** with the Remodelors' Council in responding to and resolving complaints registered against my company or other council members.

...**participate** in the Better Business Bureau arbitration program as
