GRAPHS AND LAUGHS

Solid Shelter

While May single-family starts are up 18.3% Y-o-Y and multifamily are up 25.1% Y-o-Y, those numbers are deceiving as 5/17 was, by far, the worst month for starts last year! YTD, a better way to compare volatile month-to-month data like this, starts are up a solid 11%, but below the 15% growth rate starts have averaged since their climb began in 2/11. Going forward, 10% growth should be considered excellent.

More Money

In 18Q1, US household wealth increased 1% to a record \$100.8 trillion, or 6.83 times disposable income, close to the peak of 6.85 set in 17Q4, and well above the pre-recession 2006 peak of 6.50. These steady increases in household wealth since early 2009 are juicing the economy less than in previous decades because average age is rising, wealth inequality is worsening, and memories of the Great Recession remain fresh.

Indiana Builders Association Educational Scholarship Application

Purpose: The Indiana Builders Association Educational Scholarship Foundation honors IBA's long-time CEO, the late Bill Carson, by awarding scholarships to deserving students who have chosen building as their future vocation to continue in that field and to excel in their studies.

Awards: The Foundation will award scholarships to deserving students who have chosen the building industry as their vocation. Scholarships will be awarded to individuals desiring to continue their education to enhance their career in the building industry, whether it be a structured degree, certification, designation apprenticeship, or an approved continuing education class.

The awards are no less than \$500 per school year and are non-renewable. The award is subject to change at the discretion of the Indiana Builders Association. Possible reasons for changing the award amount would be an increase in scholarship fund endowment, increasing college tuition costs, and the scholarship review committee's decision to increase the number and amount of awards. The award will be deposited with the controller of the appropriate school in the student's name and is to be used for tuition and fees redemption only.

Eligibility: The student must be at least a senior in high school and be in good standing with the school. The student must also be a legal resident of the state of Indiana, live in the jurisdiction of the Indiana Builders Association and be enrolled in a construction technology program or a related construction field of study. Past recipients are eligible.

Criteria: Each student will be judged according to academic achievement, prior work experience in the area of construction technology, recommendations by faculty and employers and specific career objectives.

Selection: Applications must be submitted to the Indiana Builders Association by September 28, 2018. The announcement of the winning candidate(s) will occur by December 31, 2018.

To obtain an application, visit www.buildindiana.org or contact Rick Wajda at 800-377-6334 ext. 204 or Rick@buildindiana.org.

Applications are due by September 28, 2018 and can be submitted via mail, email or fax:
IBA Educational Scholarship, 101 W. Ohio St., Ste. 710, Indianapolis, IN 46204
