GRAPHS AND LAUGHS

Awesome Anniversary

We just celebrated our 242nd birthday! In 1776, there were just 2.5 million residents of the world's newest nation and 56 of them signed the Declaration of Independence. The oldest 7/4 parade is in Bristol, RI where they have been celebrating since 1785. There have been 27 different US flags, we will eat 150 million hot dogs and 62% of us will attend a picnic. Have fun, be safe and wear sunscreen!

Darn Dwellings

May pending sales of existing houses declined 0.5%, are at a 4-month low, and have declined Y-o-Y for 5 straight months. Similarly, existing home sales in May declined slightly and through 5/18 are down 1.4% compared to January-May 2017. They are down Y-o-Y for three straight months. Lastly, first time mortgage applications for the week ending 6/29 are down 1% Y-o-Y. Is it rising rates, higher prices, or tax changes?

Indiana Builders Association Educational Scholarship Application

Purpose: The Indiana Builders Association Educational Scholarship Foundation honors IBA's long-time CEO, the late Bill Carson, by awarding scholarships to deserving students who have chosen building as their future vocation to continue in that field and to excel in their studies.

Awards: The Foundation will award scholarships to deserving students who have chosen the building industry as their vocation. Scholarships will be awarded to individuals desiring to continue their education to enhance their career in the building industry, whether it be a structured degree, certification, designation apprenticeship, or an approved continuing education class.

The awards are no less than \$500 per school year and are non-renewable. The award is subject to change at the discretion of the Indiana Builders Association. Possible reasons for changing the award amount would be an increase in scholarship fund endowment, increasing college tuition costs, and the scholarship review committee's decision to increase the number and amount of awards. The award will be deposited with the controller of the appropriate school in the student's name and is to be used for tuition and fees redemption only.

Eligibility: The student must be at least a senior in high school and be in good standing with the school. The student must also be a legal resident of the state of Indiana, live in the jurisdiction of the Indiana Builders Association and be enrolled in a construction technology program or a related construction field of study. Past recipients are eligible.

Criteria: Each student will be judged according to academic achievement, prior work experience in the area of construction technology, recommendations by faculty and employers and specific career objectives.

Selection: Applications must be submitted to the Indiana Builders Association by September 28, 2018. The announcement of the winning candidate(s) will occur by December 31, 2018.

To obtain an application, visit www.buildindiana.org or contact Rick Wajda at 800-377-6334 ext. 204 or Rick@buildindiana.org.
