Indiana Builders PAC, Indiana Builders Association's political action committee, is an essential part of IBA's advocacy program. Indiana Builders PAC maximizes political contributions by association members by supporting pro-housing candidates and incumbents for both statewide office and the Indiana Legislature. It is through voluntary contributions that Indiana Builders PAC can help preserve a positive political climate for the residential construction and development industry in Indiana.

All contributions to Indiana Builders PAC are voluntary and are not tax deductible for federal income tax purposes. Paid for by the Indiana Builders PAC.
